Press Release from The Veteran Car Club of Great Britain

Veterans on the Road on Drive it Day

Veteran Car Club members have no less than twenty-nine motoring events to choose from in a very busy calendar between April and October this year. The Club actively encourages driving events so that our cars – all built prior to 1919 – can be seen on the road by the motoring public. 100 or so single and twin cylinder veterans dating from 1907 or earlier will be on the roads around Huntingdon, Cambridgeshire, on Drive It Day - Sunday 25th April – showing that these cars are preserved in good hands by enthusiast owner/drivers.

A list follows of this year's major events:-

23 rd -25 th April	Creepy-Crawly Event for single and twin-cylinder cars at Huntingdon, Cambs.
20 th -22 nd June	Buxted, East Sussex
27 th June – 1 st July	Isle of Man
9 th -11 th July	Market Harborough
23 rd -25 th July	Norwich
1 st -5 th August	Harrogate
22 nd -24 th August	Cricklade
3 rd -5 th September	Tipperary – Ireland
19 th -25 th September	Peebles – Scotland

Most of these events involve at least one hundred miles of veteran motoring with interesting rest halts.

For more information where to see the veterans on the road in your area and for contact details of your local organiser, please contact:
